

Appendix 6: PowerPoint (real pictures and videos of airplane)

The PowerPoint presentation consists of 23 slides, each numbered and marked with a star in the bottom right corner. The slides cover the following topics:

- Slide 1:** Title slide: "Fly the airplane" with a background of a blue sky and clouds.
- Slide 2:** Question: "Have you ever got on an airplane before?" with a photo of an airplane on a runway.
- Slide 3:** Close-up photo of an airplane wing.
- Slide 4:** Question: "How does an airplane look like?"
- Slide 5:** Photo of an airplane in flight with a label for the "Cockpit".
- Slide 6:** Photo of a group of pilots standing in front of an airplane with a label for "Pilots".
- Slide 7:** Photo of the cockpit interior with a label for "Cockpit" and a speech bubble: "Only pilots can enter the cockpit".
- Slide 8:** Photo of an airplane with labels for "Cockpit", "Body", "Wings", and "Tail".
- Slide 9:** Diagram of an airplane with the question: "What's inside the body?".
- Slide 10:** Photos of the airplane's interior with labels for "Cabin", "Seat", "Flight attendant", and "Kitchen".
- Slide 11:** Photos of baggage storage areas with labels for "Baggage Storage" and "Luggage".
- Slide 12:** Photo of an airplane with labels for "Cockpit", "Body", "Wings", and "Tail".
- Slide 13:** Diagrams of wings and tails with labels "Wings" and "Tails". A speech bubble says: "Let's try to open your arms and balance your body!".
- Slide 14:** Photo of an airplane with labels for "Cockpit", "Body", "Wings", "Tail", and "Landing Gears".
- Slide 15:** Photo of landing gears with labels "Landing Gears", "Take off and Landing", "Slide on the floor", and "Support the airplane".
- Slide 16:** Close-up photo of landing gears with the text "Landing Gear Close-Up" and "whitewing68".
- Slide 17:** Photo of an airplane with labels for "Cockpit", "Body", "Wings", "Tail", "Engines", and "Landing Gears".
- Slide 18:** Photo of an engine with labels "Engines", "It looks like a fan!", and "Push the airplane forward".
- Slide 19:** Photo of an airplane with labels for "Cockpit", "Body", "Wings", "Tail", "Engines", and "Landing Gears".
- Slide 20:** Question: "How engines push the airplane forward?" with a small airplane icon and the text "Science Experiment 'Fly the Airplane'".
- Slide 21:** Materials for a science experiment: "Fly the Airplane", including a paper airplane, string, and a rubber band.
- Slide 22:** Text: "Sharing Time!"
- Slide 23:** Text: "The End!" with a thumbs-up icon.
